

"I have followed Lisa Roth's career for the last 20 years. I believe she is one of the most knowledgeable broker dealer executives I have ever encountered. She has a passion for the small broker dealer market place and works very hard to make sure the small firms have a voice. I have worked with her on speaking engagements and she has the ability to take a complex topic and break it down so that all in the audience are begging form more. Lisa would be an asset to any organization."
